Thank you for your interest in **Pioneer Freight Systems, Inc.**

We understand service is what we sell and outstanding customer service is what separates a good service provider from a **great service provider**. We take pride in providing excellent personalized service through our growing network of 12,000+ pre-qualified carriers. **Since our inception in 1983**, the industry has changed in many ways, but one thing remains the same... **LISTEN TO THE CUSTOMER NEEDS & PROVIDE SERVICE THAT EXCEEDS THEIR EXPECTATIONS.**

Located in Joplin, MO, we provide logistics and warehousing services for customers all over North America. Our dedicated and tenured staff come from all fields of transportation and manufacturing, ranging from traffic, engineering & warehouse management of a Fortune 100 company to operations & sales management of Transport Topics top 100 carriers. We have the experience to understand and accommodate your transportation needs.

Our reputation as a 3rd Party Logistics Provider means everything to us. We do whatever it takes to ensure both the customer & carrier expectations of our company are exceeded and because of that we have built long time relationships with both. **Pioneer** will go the extra mile to be the best value for you in price, communication, load tracking & follow through.

Customers depend on **Pioneer** to use qualified carriers and track their shipments to on time deliveries allowing them more time to focus on making their company more productive and profitable. Time & peace of mind are invaluable; we will give you both.

Carriers depend on **Pioneer** for not only back hauls to position their equipment strategically within their own system, but also head hauls in consistent lanes that best fit their needs.

VANS, REEFERS, FLATS, SPECIALIZED, EXPEDITED, INTERMODAL... We can provide you with the equipment necessary to move your freight safely & effectively. For carriers, our expanding variety of customers ensures movement of your equipment nationwide or within your pre-defined lanes

Let us earn the opportunity to service your transportation needs. We will make you proud you did.

FAIR RATES.....OUTSTANDING CUSTOMER SERVICE.....PERSONALIZED ATTENTION.

WE WILL ADD VALUE TO YOUR BUSINESS. GIVE US A CALL. 800-864-5280
